RESPONSE TO NOTIFICATION OF ABANDONMENT

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Dear Examiner:

On July 1, 2004, applicant filed a US nationalization under 35 USC § 371 of International Application No. PCT/AU02/00007. The application was assigned serial no. 10/500,642. On December 6, 2004, the Patent Office issued a Notification of Abandonment. The Notification states that "applicant has failed to provide the full US Basic National Fee by 30 months."

On December 16, 2004, applicant conducted a telephone interview with Examiner Winston M. Alvarado who issued the Notification of Abandonment. Examiner Alvarado stated that the abandonment was issued because the International application claimed, during the International stage, priority to Australia application no. PR 3578 which was filed March 7, 2001. Specifically, because the filing date of the priority application was more than 30 months prior to the nationalization filing date in the US, the claim of priority was inappropriate. Here it is noted that the applicant did not claim priority to the Australia application in the Combined Declaration

and Power of Attorney or in the transmittal documents for the request for filing under 35 USC § 371.

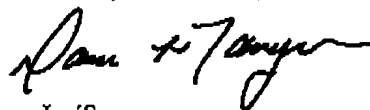

However, the examiner stated that the application would only be acceptable if there was a withdrawal of the claim of priority during the International stage. To that end, enclosed please find a Notification of Withdrawal of Priority Claim issued by the International Bureau for the related International application.

In view of the withdrawal of the priority claim during the international stage, applicant respectfully submits that the present application was timely filed within the 30-month deadline and that the Notification of Abandonment was thus improperly issued. As such, applicant respectfully requests that the Notification of Abandonment be withdrawn and that the application be allowed to proceed to formal prosecution.

Should the examiner find any impediment to withdrawing the Notification of Abandonment that can be clarified in a telephonic interview with the applicant, the examiner is respectfully requested to initiate such an interview with the undersigned.

Dated this 17th day of December 2004.

Respectfully submitted,
